PRICES

All prices exclude VAT (@ 17.5%). We do aim to keep prices stable but due to the vagaries of magazine publication dates and the pressure of copy dates, it is increasingly difficult to have a 100% consistent pricing policy. Where any differences do occur, the price in the Flyer will be deemed the correct price, whether higher or lower (except in the case of stated special offers).

WARRANTIES - FROM TAILPIPE TO ON-SITE

All brand new stock is covered by our standard 12 month return to base, parts and labour warranty. Certain equipment includes an on-site warranty (generally UK mainland only) or extended warranty periods. If you require an on-site warranty these can also be purchased at point of sale - prices vary from machine to machine so please ask for a quote.

Demonstration or secondhand equipment (pre-owned, to coin a phrase) is normally covered by a 3 month guaRH^ $"l
